

Mercy Health, a member of Trinity Health, is looking for an Infection Control Nurse for their hospitals in Muskegon, MI.

Main priorities will be to maintain the infection control program, perform routine educative, consultative and investigative functions.

Three years of nursing experience, preferable in infection control or at least 2 years minimum experience with Infection Control. Certification in Infection Control (CIC) preferred.

Full benefits, generous relocation package and tuition reimbursement.

\$61,000 - \$90,000 with sign on bonus.
